MUSIC MOTIONS, INC.
Suite 12, Dag Hammarskjold Blvd.
Village Mall, Freehold, N.J. 07728

Dear Tom:

My sincere apologies for the delay in sending you the enclosed revised agreements concerning the "a-ha" videos. However, we have put your entire form on the computer, so at least it will save us time with respect to any future licenses.

As you can see, I am enclosing four copies signed on our behalf together with a redline copy highlighting the revisions we discussed -- I have also added the video "Train of Thought" to Rider A, per your conversation with David (please insert in the appropriate space the commencement date of the Term with respect to that video). If all is now in order, please sign the agreements and return two to me for our files; if, however, you have any questions or comments, please do not hesitate to let me know.

Sincere Regards,

Sue Roberts
